**OUR MISSION**

Child Advocates engages community volunteers and staff members to protect children who are victims of child abuse. We are their voices in court, ensuring all children thrive in a safe and secure home.

**WHAT WE DO**

Child Advocates saves lives and provides hope to children. We are the voice for thousands of children who've faced abuse and/or neglect. Through engagement of Court Appointed Special Advocate (CASA) volunteers and staff, we focus on making sure all children have an opportunity to thrive in a safe and secure home. Our goal is to provide the highest quality and most comprehensive support possible with the end focus on achieving permanency for each child—whether that be reunifying with their parent(s) or being adopted.
